Blue
Revolution,

Red Insurrection

FOLLOW THE LEADER.

ORDER CREATES CIVILIZATION OVERNIGHT.

THE SUBWAY RUNS ON TIME..

*EVERYTHING RUNS EFFICIENTLY
WHEN EVERY PERSON LEARNS THEIR PLACE.*

*SELLER'S MARKET QUICKLY
BECOMES A BUYER'S MARKET.*

A BLUE AGENDA DOMINATES THE SOCIAL BEHAVIOR OF THE CORPORATION.

*A CAPITALIST INSURGENCY, FUELED BY SELF-INTEREST
PUMPED THROUGH BLOOD RED VEINS INTO HOT PIPELINES OF EGO, BURNS AWAY INSTITUTIONS.*

THIS SHORTAGE OF STABILITY CREATES A SELLER'S MARKET.

*I HUNGER FOR POWER AND
MY NEEDS MUST BE MET.
MY PRICE IS GOING UP.*

*I FEEL YOUR PAIN. I CARE!
GAZE INSIDE THE BOX FOR THE REMEDY TO YOUR TROUBLES.*

HOPE PEERS OUT FROM PANDORA'S BOX. HER SOUL IS ON THE MARKET. COST IS NEGOTIABLE.

*HOPE IS
A FORCE TO
BE RECKONED
WITH AS SHE SCORES
A PROFIT FOR BUYERS
WITH HER SOFT TOUCH.*

*RED MELTS AWAY. GOALS
ARE MET, UNTIL...*

*I HARNESS THE POWER
NOT FOR MY PAYOFF, BUT TO
PROTECT THE PATHETIC MASSES.*

*FLAMES CAN'T MASK A COLD HEART CAGED WITHIN.
THE HOSTILE TAKEOVER COMPLETES THE DOWNFALL
OF THE BOARD.*

A SELLER'S MARKET AGAIN DOMINATES

FOOL, YOU DO NOT COMPREHEND POWER AND COMPETITION. REGROUP, CALL FOR A REMATCH AND I WILL HELP YOU. I HAVE MY NEEDS, MY INVESTMENTS TOO. THIS COMPLEX QUESTION REQUIRES A SIMPLE ANSWER.

THE GLIMMER OF HOPE IS IN HIS EYE

BE WARY OF THE INSIDE TRAITOR

*A WAVE OF UNIFORMITY DOMINATES BEASTLY URGES ONCE AGAIN.
I HAVE A NEW PRODUCT TO EXPORT. WE CAN DO BUSINESS.*

BE CAREFUL OF YOUR
NEW FRIENDS, SHE
LAMENTS.

Someone you will never forget

Someone you consider your true friend

Someone that you really love

Your twin soul

Someone that you will remember for the rest of your life

TRANSIT / TRANSITION

Our lives are a short commute between birth and death. Do our rhythms create a sympathetic vibration with others who at this moment are boarding the train? What do we leave behind as we make our choices and experience chance happenings while traveling to our final destination in life?

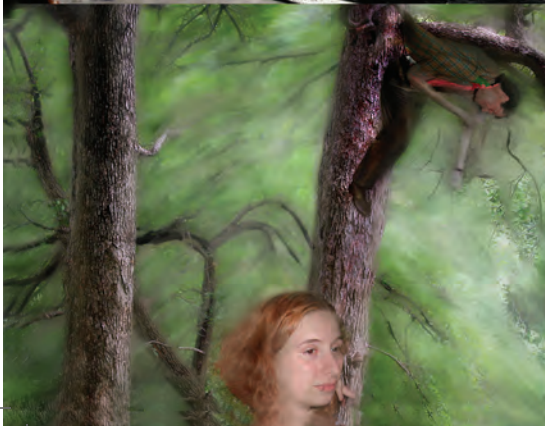

A Week of Kindness

Based on images from "Un Semaine de Bonte", 1934, by Max Ernst, who used appropriations of engravings from popular novels to create his Surrealist collage work.

Blue Revolution, Red Insurrection

Have we become pawns in the struggle between the self interest of the elite few and leaders who seek an orderly society of sameness? Greed, destruction and betrayal form this classic tale of Red versus Blue.

TRANSIT/TRANSITION

Our lives are a short commute between birth and death. Do our rhythms create a sympathetic vibration with others who at this moment are boarding the train?

What do we leave behind as we make our choices and experience chance happenings while traveling to our final destination in life?

A Week of Kindness

Crimes of passion, love affairs, and jealousies present in Max Ernst's 1934 graphic novel Une Semaine de Bonte inspired this appropriation. The implied story quickly falls into a dream-like inconsistency as we try to read familiar narrative signs.
